## ALL-STATE ARCHIVES

Curious about who was selected to Deseret News all-state volleyball teams of the past, even back as far as the 1988 school year? Log onto [deseretnews.com/preps](http://deseretnews.com/preps) to find out.

We've scoured our archives for the past several months and dug up Deseret News all-state teams from eight different sports dating back to the 1930s. We launched our All-State Archives last month with girls soccer, and beginning today volleyball all-state archives will be available on our Web site year-round.

Check back later this week for all-state football archives, and later in the year we'll be posting archives for boys and girls basketball, baseball, softball and boys soccer.
